## BEVERAGE CATERING

### ASSORTMENT OF BEVERAGES

For saving valuable resources and in terms of sustainability, we do only serve our drinks from glass bottles and pay attention to social added value when selecting providers.

With every drunken mineral water you're doing a good - thank to **Viva con Agua**.

We are getting our limonades from **fritz-kola**, which draw attention to grievances with their outreach and founded initiatives such as „Drink from Glass (Trink aus Glas): Together against a world full of plastic waste“.

No juice, but organic iced tea - **Charitea** own Foundation funds social projects in the tea growing regions.

Whether filter coffee or coffee specialities - our gently roasted **Miko Puro Fairtrade BIO coffee** is characterised by its extremely mild acidity. The production is carried out in compliance with the principles of fair trade and the protection of the rainforest.

We source our house wines from our neighbour in the neighbourhood, **Sonnenreich - Weine am Arnimplatz**, which allows us to offer a select range of wines from large wineries as well as smaller winegrowers.

### BEVERAGE PACKAGES

From a welcome coffee at the beginning of the event to a long drink during the get-together in the evening - our beverage packages offer you full flexibility and are created individually according to your event concept.

## MOBILE BAR SYSTEM

We offer our mobile bar systems including differently coloured LED lights as well as mobile shelves and fridges. The bar systems can be placed in individual positions fitting your room concept.

You can choose between straight and concave elements, which are made of aluminium profiles and white acrylic glass. All elements can be branded with your logo and individually coloured with the installed LED system.

## BRANDING OPTIONS

When it comes to branding your event, our windows and bar system are perfect for affixing stickers and foils. Using your event's colour scheme, recognisable symbols, or even the event name itself can greatly enhance your guests' experience.

We would be happy to assist you with ideas and connect you to our partner.
